# Community Solutions of IL

We invited CSI to “host” our game night. They are a local food rescue feeding over 30k families a year. Donations are made from large and small companies and CSI puts those donations into homes of those in need every day. For game night, they provided concessions and four raffle baskets. Thank you every one that supported this ministry.

FUN FACT: Parishioner Brandi Sulak has been a Friday morning driver for CSI for 7 years. Feel free to ask her for more information!

Yahna, who runs the CSI program with a volunteer board, was grateful for the opportunity to raise funds for the 501(c)3 nonprofit and bring awareness to the community. Donations are very much needed for fueling and maintaining the community cargo van and insurance. The game night raised \$175 for Community Solutions of Illinois.

## OUR COMMUNITY NEEDS YOU!

Please consider them when making donations to local charities!
